

# Encourage MPFC Juniors To:

## **Obey the Rules**

Refuse to bend the rules to win.

Breaking the rules, even if you get away with it, dishonours our game.

## **Opponents**

Respect our opponents by doing the best you can in the fairest possible way. Try your hardest to win, because **you want to be all you can be.**

## **Officials**

Respect the officials at all times. They have given up their time to play a vital part in sport. They try to be fair, they are not biased but they do make mistakes. This does not however give anyone the right to abuse them.

## **Team-mates**

Do not let your side down by your actions or lack of effort. Being part of a group should be fun. Learn to work together by encouraging and supporting each other on and off the pitch.

## **Self**

Never let yourself down!

Despite the conduct and actions of others, live up to what you believe.
